

How often do we run our programs?

- 1) Most of our programs run on a 4-week cycle starting at the beginning of the month with registration open the 4th week of the class. Some months there is a break between sessions to line back up with the program starting at the beginning of the month. Please note on your receipt or when registering what the start and end date is for your program.**
- 2) Fitness classes do not require registration and run continuously. You are welcome to join any of our fitness classes at any time.**
- 3) Some of our special activities, like the Floating Pumpkin Patch or the Underwater Easter Egg Hunt, are just one day and time throughout the year and require advanced registration and payment.**

Please call us at 217.442.0563 if you have any other questions.
