

Joyce Bruett, our Associate Executive Director, has been a member of this Y on and off for 48 years. She started on the Y swim team at the age of 6, started lifeguarding at 16, and came back after college to work as the Aquatics Director. After going back to school for her teaching degree and Master's in Education, she found herself back at the Y

teaching lessons and part-time managing the Aquatics Department while teaching 5th grade and middle school history. After a brief move to Mississippi, where she taught 1st grade, she and her husband returned to the area and have been back, with her in many different roles at the Y, for the past ten years. She has over 38 years of experience teaching swim lessons to all ages and over 17 years coaching swim teams across the Midwest. Joyce has two children, Isabelle and William, who both also work at the Y (her husband of 24 years, Jon, also worked at the Danville Family YMCA after college and that's how they met!). Joyce's hobbies include camping, sewing, reading, swimming, and travel. She loves traveling to Disney, skiing in Utah, the ocean and seafood in Orange Beach, and everything in New Orleans.
