

MASKS ON

EFFECTIVE 12:01 A.M., MONDAY, AUGUST 30

UPDATED FACE MASK POLICY

In accordance with the mandate by the Governor's Office, everyone two and older must be wearing a face mask when visiting the Danville Family YMCA, regardless of vaccination status.

At this time you may remove them once you start your workout. Please stay 6' apart or keep your mask on for safety.

Thank you for your on-going cooperation in keeping our communities safe and healthy.
