

The Y offers many volunteer opportunities to fit your schedule. We have many needs at the Y for volunteers, from coaching to cleaning, helping in afterschool care and our child watch area, and working in our aquatic's programs. To find out more about volunteering, contact us at (217) 442-0563 or fill out a volunteer application form and background check.

Volunteers
do not necessarily
have the time,
they just **have**
the heart.
